**Call to order**

**Council Member Matthews made a motion to approve the agenda. Council Member Furr seconded the motion. Motion was approved 3-0 .**

**Approval of Agenda**

**Consent Agenda:** *All matters listed under this item are considered to be routine by the Town Council and will be enacted by one motion. There will not be separate discussion of these items. If discussion is desired, that item will be removed from the consent agenda and will be considered separately.*

**New Business:**

1. Discussion on the millage rate of the Town of Tyrone for fiscal year 2016-2017. **Kyle Hood, Town Manager**

**No action was taken.**

Mr. Hood informed Council that in the next couple of meetings he would bring to Council the application packet to be submitted to the Georgia Department of Transportation (GDOT) for next year's Local Maintenance and Improvement Grant (LMIG) monies. Due to the gas tax reallocation for transportation improvements, there would be an increase in funding allotment. Moving forward, Tyrone would receive \$15,000-\$16,000 extra per year. Mr. Hood stated that his plan was to pave Handley Road in anticipation of traffic detours due to the creation of the turning lane from Tyrone Road onto Highway 74 heading north. Mr. Hood stated that the remainder of monies would go toward a road evaluation for all paved services. He added that this would piggy back on the county's FRP with Transmap that also includes Brooks and Woolsey. He stated that he and Mr. Campbell have met with the county and Transmap regarding services. Mr. Hood informed Council that Transmap would send out panel vans equipped with radar sensors and cover 380 miles of unincorporated Fayette County taking pictures. This is a very extensive process. The fee is \$196 per mile, which is cheaper than

other options considered. He added that the cost includes training, the road analysis and all software. Mr. Hood stated that the Town would acquire the money once GDOT awards the Town with the contract for next year's LMIG. Mr. Hood asked Council for permission to have the Town front the money and have the LMIG monies reimburse us in three months. The Town's cost would be \$15,098. The Town would be given a booklet with the analysis, giving data in order to prioritize paving projects. Transmap only needs a purchase order from the Town due to the contract with Fayette County.

Council Member Furr made a motion to approve entering into a relationship with Fayette County for the evaluated need for road resurfacing not to exceed \$15,100.  
Council Member Matthews seconded the motion. Motion was approved 3-0.

Mr. Hood informed Council that additional monies were placed in the budget for general maintenance on Town buildings. He added that he and Mr. Campbell met with several local painting contractors for bid to paint the outside of the Public Works garage, the Recreation building and the Library. The lowest bidder was CertaPro for \$17,020.69.

Council Member Furr made a motion to approve the bid from CertaPro not to exceed \$17,100.  
Council Member Howard seconded the motion. Motion was approved 3-0.

### **Adjournment**

Council Member Howard made a motion to adjourn. Motion was approved 3-0. The meeting adjourned at 6:44 pm.
