## **Staff Comments**

Mr. Hood stated that such as last year; the Georgia Department of Transportation (GDOT) has issued notice that there remained additional LMIG funding that was not distributed to cities early in the year for safety related projects. They are accepting applications for that funding. He proposed that Council approve the project list and to authorize Mayor Dial to submit on the Town's behalf. He listed examples for the list; vegetation removal along Tyrone Road and Dogwood Trail, stop sign replacement and to restore road safety markings that has faded. He added that the company that is now in Town performing pond renovations could assist us. The Town would piggy-back off the current contract which would lower the cost.

Council Member Furr made a motion to approve the supplemental LMIG project list as submitted; and to authorize Mayor Dial to execute the application documents to be transmitted to GDOT.

Council Member Howard seconded the motion. Motion was approved 4-0.
