

UGA Extension in Tyrone

Date and Time: Thursday April 27, 10 AM

Location: Tyrone Library

Class: Warm Season Grasses

Description: Do you have a Bermuda, Zoysia, Centipede, or St. Augustine lawn and would like some education on how to properly manage it? Come join Kim Toal, Fayette County UGA Cooperative Extension Agent, as we discuss the general care and maintenance of warm season grasses. We will also have a brief discussion of common diseases and weeds and how to manage them properly.

**FREE AND OPEN TO THE PUBLIC*
